Sent out over the odds last time when a distant 3rd to Fifth Edition here

Actually downgraded with her last start 4th at Dunedin. Others appeal.

Was claimed late by Winsome Bucks in the Ashburton Cup on Sunday.

Poor efforts the past couple & hasn't liked to be touched in the running

On the pace runner that would need a clear early lead to feature in this

Beat most of these on Sunday and more than capable of repeating that.

Lined up for her 100th start in the Ashb Cup and never got a go at them

Never in contention last time but is better than that. Trifecta chance.

Ideally drawn on the inside and can make his presence felt tonight.

Mixed form lately but this is his strike rate draw. Throw in the mix.

He has only one glimpse of form in his form line and needs a kind draw.

Not known as a sprinter but went a cheeky race over this trip two back.

Better efforts the past couple at tidy odds. Don't dismiss in this either

Unable to back up her TR run last week behind Ron's Saint. Include here

Never in contention from the same draw when stepping back up to C5.

Ran 5th to Miss Idol from the same draw in his latest outing. Place only

Sitting on a downgrade tonight and should probably get it from this draw

Ran away to a slick 18.22s victory at Dunedin last week. Keep very safe

Holding his form consistently well without crossing in front. Thin end.

Maintained her unbeaten run over 295m and boxed away to keep it going

Only out of the money once in her past 29 starts. The one to beat again

Dropping back in distance didn't seem to help him & is badly out of form

Did well to run 3rd last week at Otago and has trifecta claims to this.

She will find this well beyond her and is just making up numbers today.

Under rated form in recent weeks and can add some spice to trifectas.

Landed some well placed bets last time from her favoured inside alley.

His winning record here isn't strong and will find a few too tough in this

The main threat to Little Mother and will be doing her best work late.

Average form since falling but gets her chance from this improved draw.

Slow starts have been the problem lately but can improve from this alley

Found trouble from a similar draw last time and a placing seems best.

Hard to have on the form shown since coming back to C5 but do consider.

Doesn't win often at Addington and will need luck from this squeeze trap

In trouble the past few and the confidence may be starting to drop now.

Close to 3rd last time in a quickly run event. Should find this easier.

Graduated back to C5 with an upset 17.37s front running win here.

Not known as a sprinter but went a cheeky race over this trip two back.

Dropped form again when rising back to C5. Is becoming inconsistent.

She will find this a major leap in class and will need serious luck to win

Has the early speed to cross them and he is the only male in this field

Ran her best race for a while on Sunday and the place odds may appeal.

Flashed home late over 545m last week and does deserve respect here.

Turned some fair form around with a 31.09s run for her first 520m win.

Eye catching last start 3rd over 390m in TR time and does have claims.

She has seen this track once before which will help. Place options here

Hit or miss at box rise and will need to get handy in this field today.

On the pace runner that has been mixing form and distances. Place here.

Hasn't crossed in front for a while now but capable of placing at odds.

Didn't see out a strong 545m last time but 11 of 15 wins are over this trip

Facing a sharp rise in class for this but is worth including in trifectas

Sparingly raced in recent months but has lost all shape of form now.

Improved last start effort for 3rd and worth watching from an inside draw

Drawn favourably out here and should be powering home late today.

Starting to hold her form together again now and should be included.

Narrowly missed 3rd last time out and can do some work in the running.

Improved effort on his favoured Ascot Park track. Has been struggling here

Tidy 3rd at Otago and is one of a few place chances in this even field.

Surprise entrant over 295m and will need to show more box speed.

Drawn upside down and hates to be crowded near the rail. Must jump.

Ideally boxed away with a wide runner outside and can lead them out.

Limited luck in recent races but the over all form isn't strong right now

Improved last start effort for 3rd and worth watching from an inside draw

Has been a touch disappointing in recent races but gets his chance today

Close up 4th when last here but his wide trap form doesn't read well.

Hard to follow at times but suited to this outside draw and can feature

Placed at big odds last time and couldn't be ruled out of this either.

Didn't show much in his resuming run and is sparingly raced. Must jump.

Unable to follow up her upset win last time. Is a hit or miss beginner.

Chopped out the back in her downgrading run. Can improve the form today

Improved run on Sunday from a tricky draw. Strikes a very even line up.

Sparingly raced in recent months and has yet to find any real form.

Much improved last start effort for 3rd but would need a kind draw.

Out of form for a long time now and a win would be a big surprise here.

Win or bust form shown lately and is getting hard to back with confidence

Improved run for 4th when first back in this grade. Trifecta options here

Ran a narrow 2nd to Homebush Reece first time up in this company. Include.

Sparingly raced in recent months and isn't holding any worthwhile form.

Downgrading today and does race best when near the rail. Value runner.

Going for his 3rd straight C4 win today and should go close from the 2.

Limited luck in recent events but could place in this at decent odds.
